1. The reissue oath/declaration filed with this application is defective (see 37 CFR 1.175 and MPEP § 1414) because of the following:

The declaration does not list the inventor's citizenship, residence and mailing address. Although the declaration was signed by the assignee, this information must still be present, even if it is asserted to be upon the information and belief of the assignee.

2. Claims 1-5, 7, 8 and 11 are rejected as being based upon a defective reissue declaration under 35 U.S.C. 251 as set forth above. See 37 CFR 1.175.

The nature of the defect(s) in the declaration is set forth in the discussion above in this Office action.

3. The drawings are objected to because figures 1 and 5 do not state that they are amended sheets, as required by 37 CFR 1.173(b)(3). Also, the final sheets should not have numbers with strike-throughs.

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Christopher Upton whose telephone number is 571-272-1169. The examiner can normally be reached on 7:30-5:00, off every other Monday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Duane Smith can be reached on 571-272-1166. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
